

Be the one to save a life.

## Susan

Susan Mitchell is mother to Katina, Wes and Serena and grandmother to Katie (4) and Robby (2). Six years ago the family lost Edward, Susan's husband of 31 years, to colon cancer. Susan was recently diagnosed with advanced Myelodysplasia and has been undergoing chemotherapy treatments for the last two months. She is now in need of a matching marrow donor.

### PLEASE HELP SUSAN AND OTHERS LIKE HER!

Thousands of patients depend on the Be The Match Registry<sup>SM</sup> to find a donor who can give them a second chance at life. You have the power to heal, the power to save a life. [Take the first step. Join the registry.](#)

## JOIN THE MARROW REGISTRY
